Call for Students – Help Shape the Future of Chemistry in BC!

The Association of the Chemical Profession of British Columbia (ACPBC) is seeking passionate and committed volunteers to support our mission of advancing the professional practice of chemistry across the province.

We are currently looking for volunteers to join the **Board of Directors** as a **Student Director!** This is a great opportunity to gain valuable experience as a Board member and influence the future of the profession in BC.

Why volunteer with ACPBC?

- ✓ Support and strengthen professional standards in chemistry
- ✓ Connect with other professionals and grow your network
- ✓ Contribute to initiatives that make a lasting impact on science, policy, and education in BC
- ✓ Gain leadership experience, represent the future of chemistry and make your voice heard

Time Commitment: approximately 4–6 hours/month

Term: 1-year term

Deadline to Apply: May 15, 2026

Requirements: You must be a student member of ACPBC in good standing & enrolled in a post-secondary chemistry program.

How to Express Interest: Please email registrar@pchembc.ca with a brief statement of interest and your background.
